

DR TODD LANDMAN

STANDARD TERMS OF SERVICE

Law

These conditions and any entertainment that takes place under them shall be governed and shall take effect in accordance with the laws of England and Wales.

Date, Time, and Venue

The entertainment will take place on the day, at the time, and in the venue set out in the written confirmation as agreed between Dr Todd Landman and the Client. If this is not to the client's agreement then it is the responsibility of the client to contact Dr Todd Landman.

Modifications

No modifications, additions, or deletions to these conditions shall be carried out by any party booking the entertainment without the written consent of Dr Todd Landman. These conditions can only be modified or cancelled by mutual consent.

Deposits/Confirmations

No deposit is required for the engagement of services; however, written confirmation is required at the time of booking. The date of the engagement will be held for fourteen (14) days after the date of this confirmation letter. After this time, it may be made available to another client.

Fees

The fee for the entertainment is payable by cheque made out to Rights Awareness Ltd. no later than one calendar month after the performance unless specific terms have been agreed in writing. Dr Todd Landman will issue an invoice as soon as possible after the performance.

Postponement

Should a problem arise that causes the client to postpone the entertainment, it will be re-scheduled for a mutually convenient time within six (6) months of the booking date at no extra cost. If the postponement is longer than six (6) months, then the booking will be regarded as cancelled.

Cancellations

Should the client booking the entertainment decide to cancel with fewer than fourteen (14) days notice, the full fee will be payable. If more than fourteen (14) days but less than thirty (3) days notice is given, then 50% of the fee will be payable. Cancellations can be made in writing (standard post or email) or by telephone but cannot be accepted on an answer phone or voicemail.

Outside events

In the event that the entertainment booked is to be performed in the open air, alternative covered performance space (i.e. shelter) should be arranged to protect Dr Landman and his performance materials from inclement weather. If the provision of such shelter is not possible, the above-mentioned fee shall nevertheless be payable.

Video and sound recordings

Video and sound recordings can only be made with the written consent of Dr Todd Landman and may only include those parts of the performance that have been agreed to in advance. Any such recording may only be used for private viewing or listening.

Other engagements

All re-bookings or further engagements that arise as a result of the booking must be negotiated through Dr Todd Landman.
